

## DELAWARE Star Dental

Dear Perspective patient,

Welcome to our website. I wanted to inform you that this is a very caring and warm place that provides dental care to our community. Our patients are lifelong friends, whose trust we have gained through dedicated service. Delaware Star Dental takes great care and pride in what we offer and how we offer our service. We have hand-picked our staff that treats our patients with kindness and professionalism that is unmatched. We also have carefully determined which products to use, who to attain them from. We work with some of the top labs in the country, to deliver you the best that dentistry has to offer. We only work with the specialists that treat our patients with professionalism and tenderness. I work and communicate with our specialists directly, giving you ultimately the most efficient treatment that you deserve.

I have dedicated myself to get educated beyond what is required, so that I may communicate and understand each individual's medical needs and special circumstances with their appropriate physicians. Your Mouth is truly a reflection of your overall health. Many Medical conditions can be diagnosed by an astute clinician by peering into your mouth. So, if you desire a clinician that understand health, Delaware Star Dental is the office for you.

Our biggest strength is not just the latest technology and comfort we offer, such as digital X-Rays, Zoom whitening, Laser dentistry, Digital Shade guides, Soothing music, Pillows and blanket for you comfort, coffee bar, CVBT scanner that takes a three dimensional picture of your mouth so we can provide minimal invasive treatment. These are all things we offer but the biggest reward for our patients is that we are a one stop shop for all your dental needs. We are able to offer the largest array of treatment in our area because of our education and training.

For your convenience we offer payment options. Our staff is well trained to make this experience possible for you. So, go ahead call our office and come see us. You have to see us to believe it! I promise you, I will do everything I possibly can to give you the care that you deserve!

Sincerely,

Sattar A. Syed DMD, MAGD
